

with Senator Lindsay. I don't feel that you can get an adequate answer quickly from the federal government and that's the reason I put June 1 to give me a month to get a letter to let them look at it. If you've dealt with the federal government, there's nobody in charge anyway and it's usually by delegation of committee and it, quite frankly, takes a period of time to get it. However, April 28th is a little too soon, if we can give me about two weeks to May 3rd, I think Senator Lindsay has agreed to file a bracket motion to May 3rd. With that in mind I would pull my existing bracket motion and I assume Senator Lindsay would submit May 3rd. Thank you.

PRESIDENT MOUL: Thank you, Senator Kristensen. Mr. Clerk, a motion on the desk.

CLERK: Madam President, Senator Lindsay would move to bracket LB 779 until May 3, 1993.

PRESIDENT MOUL: If there are no objections, it would be so ordered by unanimous consent.

SENATOR HALL: I don't object, but I would ask a question if I could. My light is on.

PRESIDENT MOUL: Okay, Senator Hall.

SENATOR HALL: Madam President and members, I'd just like to ask a question of the Speaker if I could.

SPEAKER BAACK: Yes.

SENATOR HALL: Mr. Speaker, is it your intention if this bill is bracketed to May 3rd that you would put it back on the agenda at that point in time?

SPEAKER BAACK: Yes, it is automatically unbracketed after the third and as we do Select File bills, this bill will come right back in its order.

SENATOR HALL: So it will come back to the top of the list the first time after May 3rd that it's unbracketed?

SPEAKER BAACK: It will be on the top of the list of this category of bills, the bills that have been on consent calendar, yes.
